

# PETS ROCK® Stereo Headphones

**STEREO HEADPHONES**

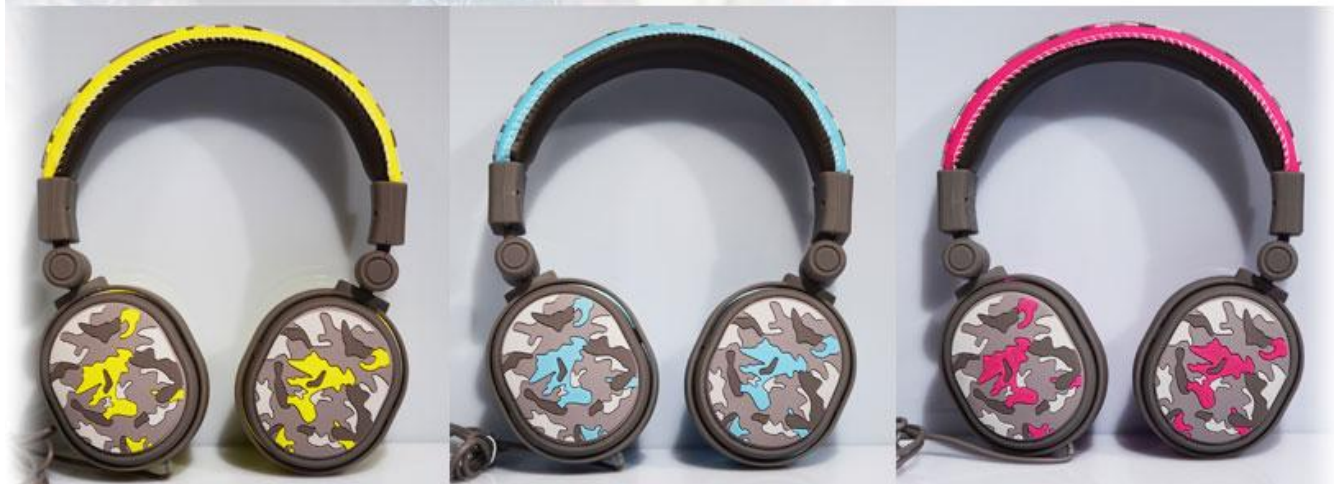

**YZSY® Wired Headphones PETS ROCK® | wired headphones | with microphone and volume control| for iPhone, Samsung Galaxy, smartphones, iPad and tablets, handheld consoles, notebooks and PC**

- **DESIGN:** Real animals, styled like celebrities, a real eyecatcher.  
Here, real animals are photographed at their home to catch their natural expression, then they get styled digitally to look like famous people.
- **SOUND:** The headphones have a strong and clear sound.
- **FUNCTIONAL:** The cable is equipped with a convenient volume control, which can also be used to make calls.
- **TELEPHONE:** The microphones integrated in the cable can also be used to make calls even if the telephone is not in your hand.
- **ERGONOMIC:** The adjustable earcup is foldable forwards and backwards.  
Thus, the headphone fits every shape of head and is also adjustable in size which leads to a perfect wearing comfort.

## Camouflage Stereo Headphones

**ARTISTS EDITION® Wired Headphones CAMOUFLAGE | wired headphones | with microphone and volume control| for iPhone, Samsung Galaxy, smartphones, iPad and tablets, handheld consoles, notebooks and PC**

- DESIGN: The "CAMOUFLAGE" edition from ARTISTS EDITION shows the cool camouflage-military-look in different colors.
- The camouflage-design contains fluorescent parts that glow in the dark, if light has been shining on them before.
- SOUND: The headphones have a strong and clear sound.
- FUNCTIONAL: The cable is equipped with a convenient volume control, which can also be used to make calls.
- TELEPHONE: The microphones integrated in the cable can also be used to make calls even if the telephone is not in your hand.
- ERGONOMIC: The headphones can be folded forward and backward as well as inside. The headphones fit perfectly to every head and can also be adjusted in size, which ensures an ideal wearing comfort. The headphones can be stowed well together.
