

Zu warm, zu kalt, zu heiss mit Oregon leicht zu kontrollieren 😊

Manage your home environment

With 3 splash-proof sensors, the multi-zone Home Climate Control Center allows you to easily monitor the temperature and humidity in up to 3 areas of your house.

Easily view temperature and humidity data in different areas of your home on the large LCD display. Includes a mold alert icon function.

Displays the weather forecast for the next 12-24 hours for outside readings.

LCD Multi Zone Weather Station
