Gentle Yet Powerful Sanitizing Gels

Power Gel kills 99,9% of bacteria, yeast and enveloped viruses within seconds!

Today more than ever we consider how and where we come in contact with harmful germs and viruses. We worry about protecting our own health and subsequently the health of others. Cyber Clean, the Care Brand, has created a range of Power Gels, which contain moisturizers for maximum skin care whilst effectively killing harmful germs. The products are simple, fast and effective to use and come in many sizes to suit different needs. **Cyber Clean® Professional Power Gel** leaves the skin clean and re-freshened. No water or soap is needed. It does not leave any residue, but instead a pleasant scent on the skin. Its Swiss formulation is eco-friendly, free from colorants and unnecessary additives.

Unique range of sanitizing gels based on Swiss formulation

- Formulated in our own chemistry laboratory
- Proven effectiveness
- Gentle with moisturizing effect (Aloe Vera oil)
- Pleasant scent
- Perfectly complementary with the Original Cyber Clean® cleaning compounds
