

DVD und DVB-T to go – Trevi

Kennen Sie Trevi? Nein, nicht den Brunnen ;-)

Trevi ist (auch) eine große, italienische Firma mit einem riesigen Angebot an Unterhaltungselektronik.

Und obwohl es Trevi schon seit 1976 gibt, hat man die Produkte hier bisher nur vereinzelt (ein paar Onliner) gesehen. Jetzt aber auch bei NTP!

Hier mal eine erste Auswahl portable DVD-Player für die Sommer- und Reisezeit !
