

Smart Audio from Denmark - Multiroom & Multiplay – Tibo

TIBO Smart Audio

Mit der unglaublich leicht zu bedienenden **TIBO Smart Audio Produktfamilie** können Anwender in Sekundenschnelle ein **Multiroom-, Multiplay-Soundsystem** erstellen.

Streaming radio from the Internet has now been easier – simply store any of the thousand online stations on your pre-sets either on the product or in the TIBO app.

With the TIBO app, one touch allows users to access and control all TIBO products to their single or multiple Smart Audio products. The Free TIBO App is available for both iOS and Android platforms.

The highly functional features of the app also allow users to control and configure their system settings as well as determine pre-set for Internet radio and play lists.
