

### **Challenge Your Limits: The Actxa Swift+**

Say hello to the Actxa Swift+ – pumped with exciting new features to help you keep active, mentally motivated and socially connected. Fuss-free and clean-cut, the smart fitness band monitors your everyday health, fitness levels, and even sleep quality to together achieve a more balanced lifestyle.

Key features of Actxa Swift+ include:

- Activity Tracker – Tracks your steps count, amount of calories burnt, active duration time and distance travelled on a daily basis. You can set personal fitness goals and track your progress anytime during the day.
- Sleep Monitoring – This monitors the quality of your sleep, by examining your movement levels during the night. This provides you with a better understanding of your slumber, allowing you to tweak sleep habits for a better rest.
- Silent Alarm – A vibration alarm will help jump-start your day, without disturbing your partner's sleep.
- Smart Display – An OLED display with a touch sensor allows you to easily switch between the time/ date display (12 or 24-hour format) and your activity status, with a simple tap.
- Stay Connected – Using Bluetooth, the latest Actxa Swift+ links up with your mobile phone (under 10 metres away), the vibrate mode activated when you receive a call (with Caller ID shown on the screen), SMS, message or email.
- Sweat/Rain/Splash/Swim Proof – Water resistance to 1 metre just means you can afford that run in the rain, dip in the pool and train for open water races without worrying about losing your fitness data.

## Actxa Swift+ Specifications

### DISPLAY & SENSORS

- OLED display with touch sensor
- 3-axis accelerometer
- Vibration motor
- Ring, email & txt message notification

### BATTERY & POWER

- **Capacity:** 55mAh
- **Battery Type:** Lithium-polymer
- **Battery Life:** 5 – 7 days
- **Charge Time:** Up to 2 hours

### COMPATIBILITY

- Bluetooth v4.0 and above
- Support IOS 8.0, Android 4.3 and above
- Actxa Mobile App (Available on Apple App Store & Google Play Store)
- Healthy 365 App compatible

### WATER RESISTANT

- Advanced Nano coating Technology
- Sweat proof, rain proof, and swim proof.

### DIMENSIONS

- L250mm X W19mm x H12mm
- 23 grams

### MATERIAL

- **Strap:** Hypoallergenic Flexible Elastomer
- **Strap Pin:** Aluminium Alloy
- **Base Unit:** Plastic

### IN THE BOX

- 1 x Swift Activity Tracker
- 1 x USB Charging Cradle
- 1 x Quick Start Leaflet and Warranty

### ENVIRONMENT

- Operating Temperatures: -20° to 40°
