PowerLocus

Born in Europe.

Present all over the world.

Loved by millions

WHO ARE WE?

Founded by two product designers in 2017, PowerLocus is international brand focused on the development and manufacturing of consumer electronics products.

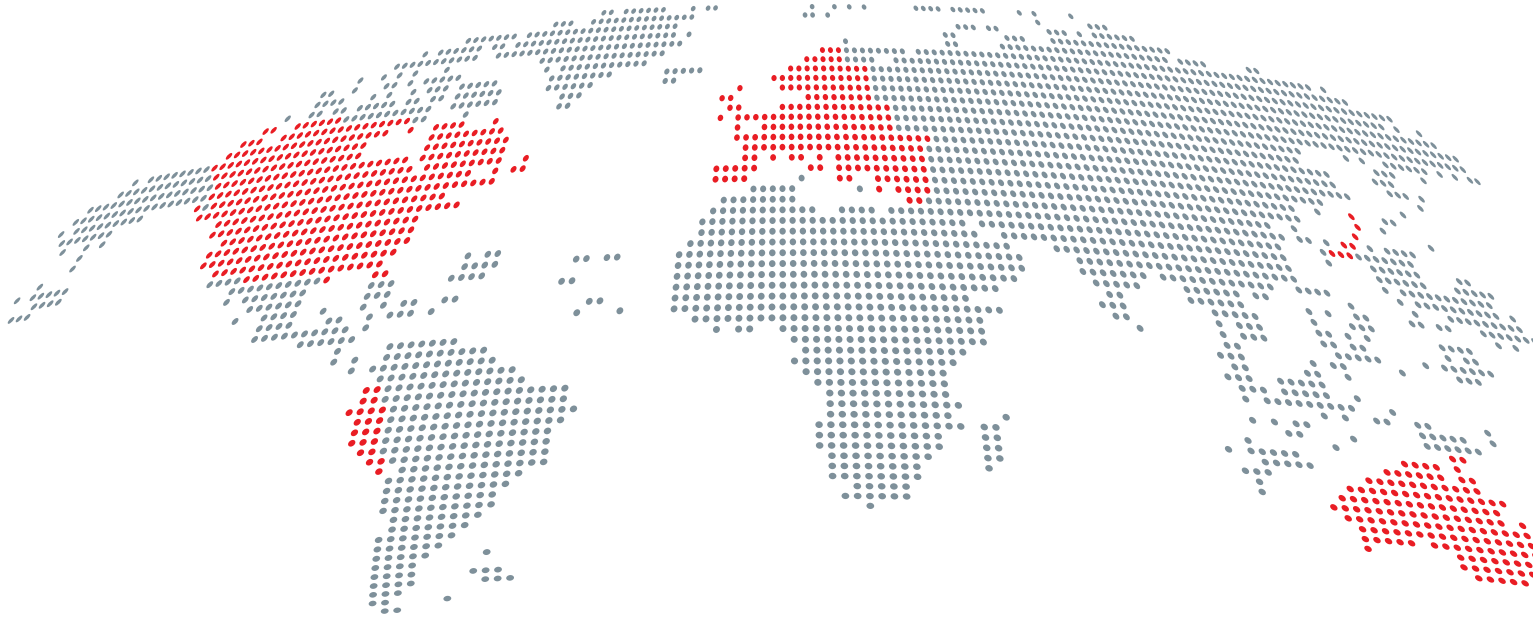

Created with style and preciseness, every PowerLocus product is designed in a way that every time you are using it, you can feel the finesse of our work. Being a brand that always stands out with innovative smart and simple designs, together with unique design outlook of our products is our vision to stay unique.

1

WORLDWIDE PRESENCE & RECOGNITION

As a worldwide brand, our products are being sold in more than 20 international markets including: United States, Canada, United Kingdom, Germany, France, the Netherlands, Sweden, Eastern Europe, Japan and more.

2

REVIEWS SAY IT ALL

The products of PowerLocus have achieved numerous positive feedbacks from buyers all over the world which makes our headphones one of the most reliable and trustworthy choice.

4

YES, WE CAN GO CUSTOM

Not only can we have your unique branding on our models, but we can also provide you with gift wrapping & personalized gift cards. Approach is key and we know how to pack it impressively.

3

EXPERTS SAY IT TOO

“Best Budget Buy. PowerLocus’s bobo headphones are an excellent choice – fun, functional, and features aplenty.”

“Kids are smart enough to differentiate between sound qualities, and therefore they cannot be fooled. PowerLocus knows this”

“The Best Kids’ Headphones That Always Hit the Right Note..”

“Best kids headphones to buy in 2023”
